
Who We Are

Reta (is the abbreviation of Reach Them All) foundation is a registered Community Based organization (CBO) based in the Atebubu – Amantin Municipal in the Bono-East region of Ghana.

English

humanity.

After several years of humanitarian activities, like supporting widows, orphans, empowering women and having the wellbeing of others at heart. The founder was encouraged to put into a well-structured organization and that decision gave birth to Reta Foundation.

In view of this, the organization chose to work around activities based on problems in our community which needs solution from the contributions of individuals, CBOs, NGOs ,CSO ,etc. Reta Foundation as an organization reach out to everyone in the society without political, religious views.

What We Do

Women Empowerment

We aim to empower women with skills in our quest to work towards poverty

Education

We aim to contribute to education in Ghana,especially in rural areas and among girl child.

Sanitation

We aim to give education to citizens on protecting our Environment .

English

We aim to give education on water management, and provision of water management where necessary .

Support

we aim to provide support to widows and orphans ,such as basics needs ,equipping them with skills to work with for a better living .

Communication Technology

We aim to promote and equip school going children in rural areas with Information Communication Skills.

Health

We aim to give education on health education,campaigns, with public health offices, and provision of health facilities to rural communities where necessary.
